RE: Monitoring Matrix for DH-1A, DH-2 and DH-3, Plate 7-4 and
eliminate Plate 7-6, Bear Canyon Mine, Co-Op Mining
Company, ACT/015/025-92S, Emery County, Utah

#2

Enclosed are two copies of a proposed monitoring matrix for the three underground wells which were installed in 1992. Text referencing underground wells has been updated to reflect the current status of the wells. Plate 7-4 has also been updated to show the locations of the wells. Other modifications of Plate 7-4 include the addition of the other federal lease holdings of Co-Op. Water rights information formerly shown on Plate 7-6 has been included on Plate 7-4 in an attempt to improve the organization of the information shown. Water Rights numbers have also been updated to reflect the tables in Appendix 7-C. Copies have been marked DRAFT to distinguish them from previously approved pages and plates. Please notify Co-Op upon approval and finalized copies of the amendment will be forwarded to the Division. If you have any questions regarding this submittal, please contact Charles Reynolds at (801) 381-2450.

Thank You,
